

We are so excited to begin welcoming students back to in-person classes at the studio. Here's what we are doing in the wake of Covid, and what you can do to help us protect our students and our staff:

- We are asking every family to please commit to assessing themselves/their dancer(s) prior to arriving at their classes and/or entering our studio each day. If you or your dancer(s) is exhibiting any COVID-like symptoms OR in the past 14 days has been in close contact with an individual who is test-confirmed for COVID-19 or is presumed to have COVID-19, please do NOT attend your classes.
- Safety and sanitizing protocols reviewed with all teachers and staff.
- **All staff and students required to wear face coverings while in the building and during classes.**
- Only dance students and staff will be allowed in the building. Parents must drop-off and pick-up at the designated areas (listed below).
- Our studios are open at full capacity.
- Students should limit items being brought to the studio to only those items most necessary for class.
- All high-touch areas such as doorknobs/handles and barres, will be continually sanitized before, after and during classes.
- Dance floors will be disinfected between classes.

#### Studio entrances and exits:

- Dancers using Studio 1 will enter through the main front studio door and exit on the North side of the building using the side alley door.
- Dancers using Studio 2 will enter through the main front studio door and exit using the Studio 2 door to the outside.
- Dancers using Studio 3 will enter through the Studio 3 guest area door and exit out the South side of the building through the Studio 3 door.
- Dancers using Studio 4, will enter through the main Studio 4 lobby door and exit out the back-alley door on the West side of the building.
